**Modrik**

AI Analyst

Analyzing market sentiment...

Hi Noura! I noticed the crypto market is experiencing a sudden 6% drop, and you've opened the app 4 times in the last hour.

Take a deep breath. Historically, holding during this phase saved you money.

HISTORICAL RECOVERY

Psychological Profile

If your portfolio lost 20% in a month, how would you react?

Sell everything immediately

Wait and monitor carefully

Buy more at a lower price

Do you make investment decisions based on social media trends?

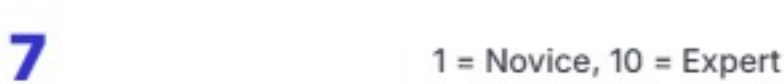

Never, I do my own research

Sometimes for small amounts

Frequently to catch trends

Rate your confidence in financial market knowledge (1-10)

7 1 = Novice, 10 = Expert

What is your typical investment holding period?

Less than 6 months

6 – 12 months

More than 1 year

Modrik Engine

Our advanced neural engine analyzes your risk appetite and behavioral biases to construct a mathematically optimized portfolio tailored specifically to your psychological profile.
